

*"In Adelante, everyone has a dream, everyone speaks the same language, and everyone is Family."
Sabrina Lloret, Adelante Ambassador and 2016 Corazon Awardee.*

On behalf of the Adelante Family, we thank you for being part of another amazing season and our most successful to date. Whether you are a sponsor, community partner, teacher, volunteer, student, or parent, you are keeping Adelante at the forefront of Latino educational attainment. We celebrated our 10th Anniversary, were awarded a "Bright Spot In Hispanic Education" by the White House Initiative for Excellence in Hispanic Education, and served 135 unique students across 6 programs, marking a 30% enrollment increase from 2014-2015. Each year we provide a growing number of Latino students and families with vital resources and programs. Adelante students are achieving, and you make our success possible.

Adelante Hispanic Achievers (Adelante) is a non-profit (501 (c) 3) and volunteer- based organization chartered to provide opportunities for Hispanic youth and their families to gain the skills and knowledge necessary to function cross-culturally and to contribute to society as informed and pro-active citizens. Adelante is the only organization in Louisville with the sole purpose of providing educational resources and support to Hispanic youth and families, and has been a JCPS Endorsed Site since 2008. Our goals are to encourage Hispanic youth to set and meet high personal, educational, and career goals and to increase parental involvement in their children's education and future.
